SILENT NIGHT, THE FIRST NOEL, JINGLE BELLS, FROSTY THE SNOWMAN (...G)

LITTLE DRUMMER BOY

Come they told me, pa-ru-pa pum pum
A new born King to see, pa-ru-pa pum pum
Our finest gifts we bring, pa-ru-pa pum pum,
Ru-pa pump um, ru-pa pum pum

Come they told me, pa-ru-pa pum pum (*Peace on Earth, can it be?*)
A new born King to see, pa-ru-pa pum pum (*Years from now, perhaps we'll see*)
Our finest gifts we bring, pa-ru-pa pum pum, (*See the day of Glory*)
To lay before the King, pa-ru-pa pum pum (*See the day when men of goodwill...*)
Ru-pa pump um, ru-pa pum pum (*Live in peace, live in peace again*)
So to honour Him, pa-ru-pa pum pum (*Peace on earth...*)
When we come (...*can it be?*)

Every child must be made aware - Every child must be made to care
Care enough for his fellow man - To give all the love that he can

Little baby, pa-ru-pa pum pum (*I pray my wish will come true*)
I stood beside Him there, pa-ru-pa pum pum (*For my child, and your child too*)
I played my drum for Him, pa-ru-pa pum pum (*He'll see the day of glory*)
I played my best for Him, pa-ru-pa pum pum (*See the day when men of goodwill...*)
Ru-pa pump um, ru-pa pum pum (*Live in peace, live in peace again*)
Then He smiled at me, pa-ru-pa pum pum (*Peace on Earth....*)
Me and my drum (*...can it be?*)
Can it be? (*Can it be?*)

SOMEWHERE IN MY MEMORY

Candles in the window, shadows painting the ceiling,
Gazing at the fire glow, feeling that gingerbread feeling.

Precious moments, special people, happy faces, I can see.

Somewhere in my memory, Christmas joys all around me,
Living in my memory, all of the music, all of the magic,
All of the family home here with me

Somewhere in my memory, Christmas joys all around me,
Living in my memory, All of the music, all of the magic,
All of the family home here with me
...with me...with me...in my memory

RING OUT THE BELLS

Ring out the bells, sing out the melody, Jesus Christ is born
Ring out the bells, sing out the melody, Jesus Christ is born
See the Christ child a-lying in the manger
Come to save the world from devil's danger
Ring out the bells, ring out the bells, The Christ child is born

Ring out the bells, sing out the melody, Jesus Christ is born
Ring out the bells, sing out the melody, Jesus Christ is born
Let our voices shout out in acclamation
Now's the time for joy and jubilation
Ring out the bells, ring out the bells, The Christ child is born

(slowly) Mary bring us the boy child – Mary bring us your son

**Ring out the bells, sing out the melody, Jesus Christ is born
Ring out the bells, sing out the melody, Jesus Christ is born**

Join your hearts let us celebrate with giving
Lend a hand and reach out to the living
Ring out the bells, ring out the bells,

**The Christ child is born, The Christ child is born,
The Christ child is born, The Christ child is born,
(slower) The Christ child is born**

CAROL OF THE BELLS

Hark how the bells, sweet silver bells,
All seem to say, throw cares away

(Ding!) Christmas is here, ***(Dong!)*** bringing good cheer,
(Ding!) To young and old, ***(Dong!)*** meek and the bold,

(Ding!) Ding dong, ding dong, ***(Dong!)*** that is their song,
(Ding!) With joyful ring, ***(Dong!)*** all carolling

One seems to hear, words of good cheer,
From everywhere, filling the air

(Ohhh...) Oh how they pound, raising the sound,
O' hill and dale, telling their tale,

Gaily they ring, while people sing,
Songs of good cheer, Christmas is here,

*Merry, merry, merry, merry Christmas,
Merry, merry, merry, merry Christmas,*

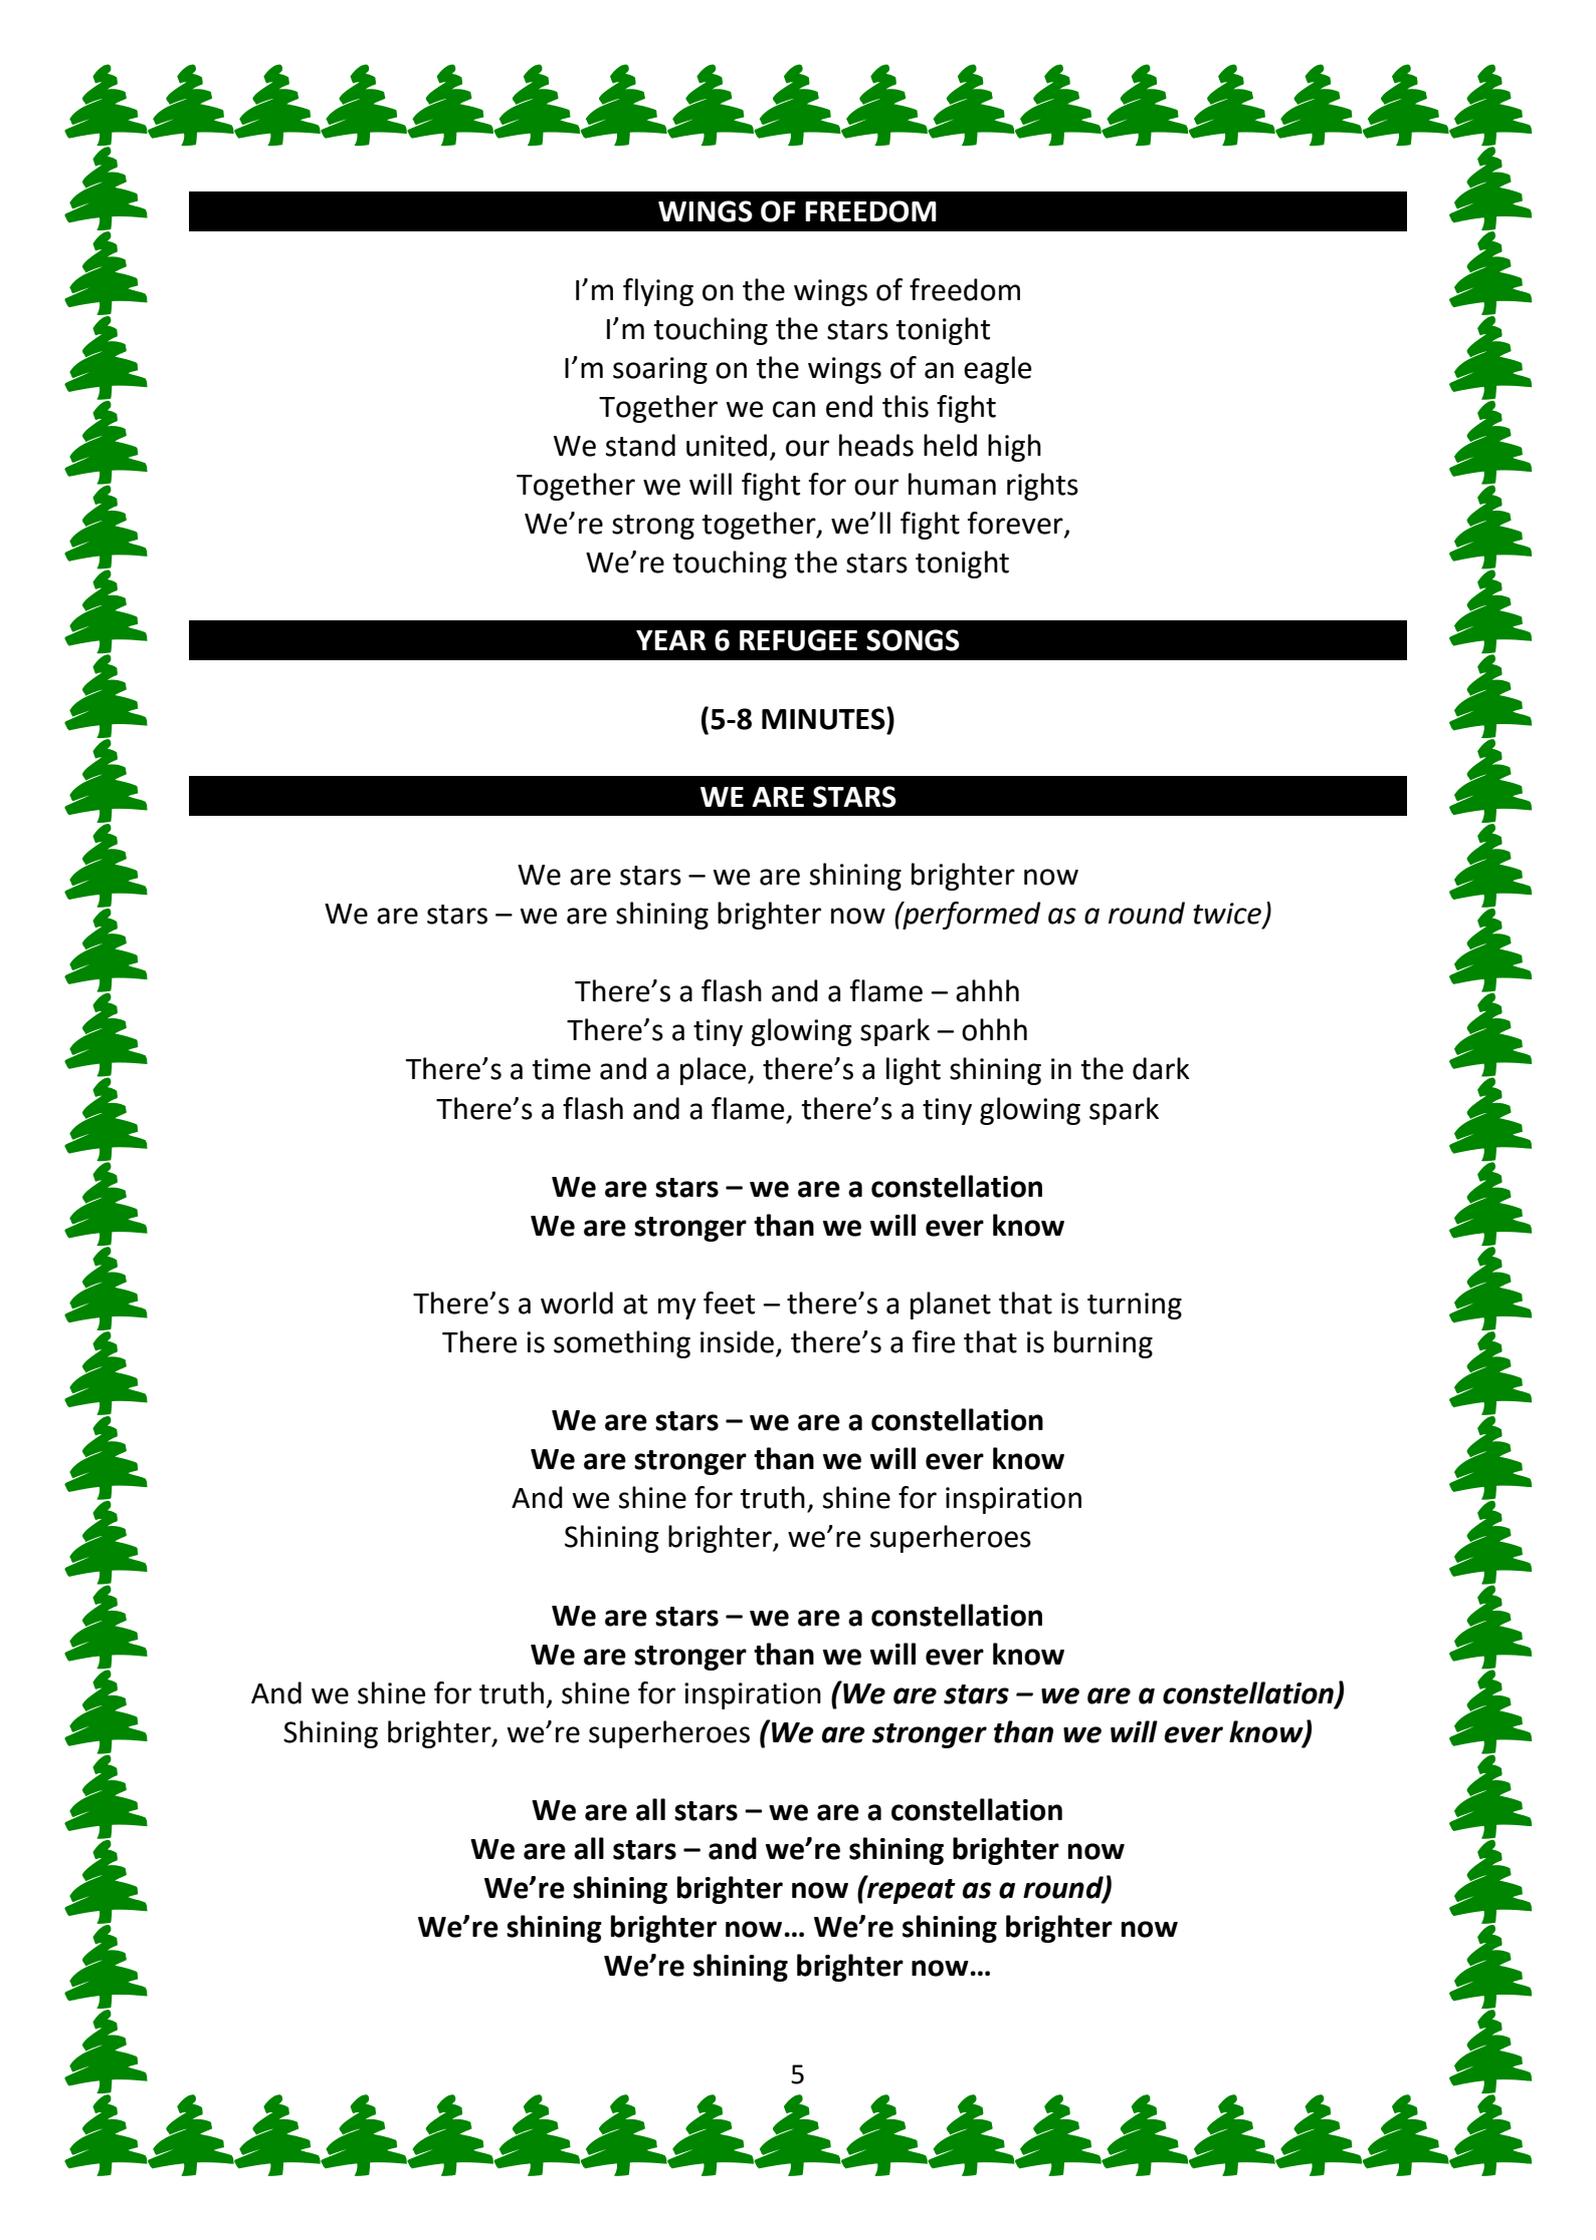

(Ding!) On, on they send, ***(Dong!)*** on without end,
(Ding!) Their joyful tone, ***(Dong!)*** to every home ***(Ding!)***

(REPEAT)

DING! DONG-DING, DONG!

WINGS OF FREEDOM

I'm flying on the wings of freedom
I'm touching the stars tonight
I'm soaring on the wings of an eagle
Together we can end this fight
We stand united, our heads held high
Together we will fight for our human rights
We're strong together, we'll fight forever,
We're touching the stars tonight

YEAR 6 REFUGEE SONGS

(5-8 MINUTES)

WE ARE STARS

We are stars – we are shining brighter now
We are stars – we are shining brighter now (*performed as a round twice*)

There's a flash and a flame – ahhh
There's a tiny glowing spark – ohhh
There's a time and a place, there's a light shining in the dark
There's a flash and a flame, there's a tiny glowing spark

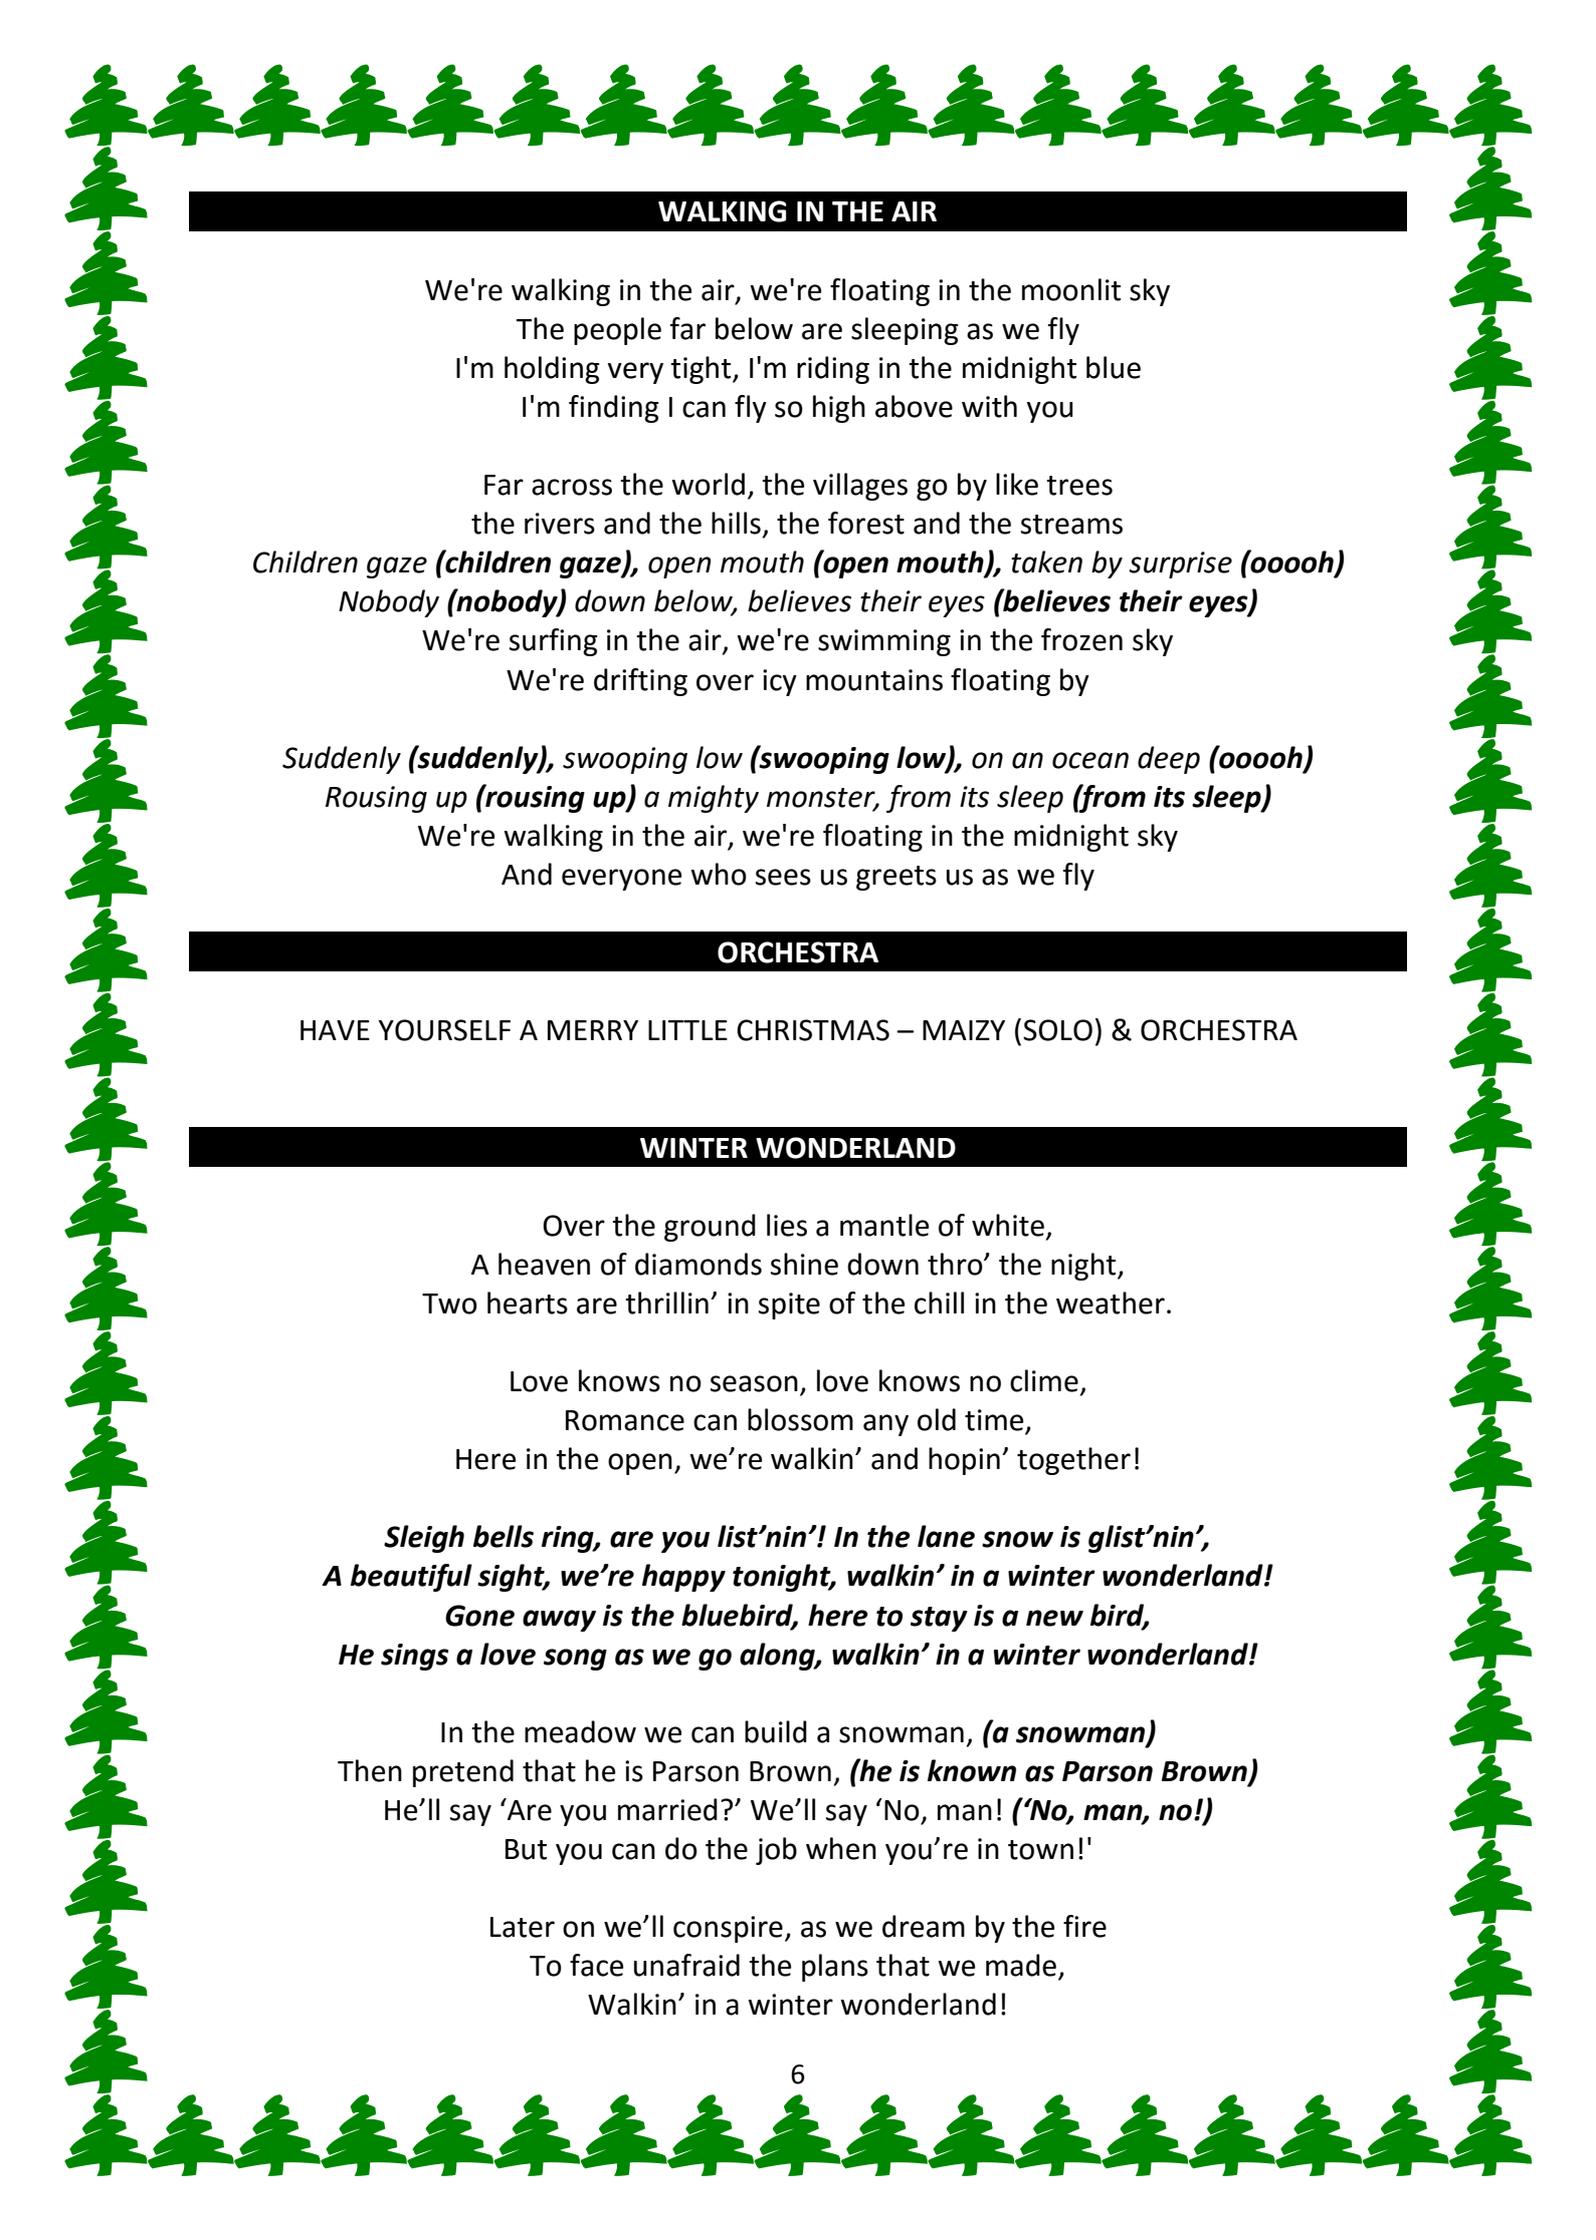

We are stars – we are a constellation
We are stronger than we will ever know

There's a world at my feet – there's a planet that is turning
There is something inside, there's a fire that is burning

We are stars – we are a constellation
We are stronger than we will ever know
And we shine for truth, shine for inspiration
Shining brighter, we're superheroes

We are stars – we are a constellation
We are stronger than we will ever know
And we shine for truth, shine for inspiration (*We are stars – we are a constellation*)
Shining brighter, we're superheroes (*We are stronger than we will ever know*)

We are all stars – we are a constellation
We are all stars – and we're shining brighter now
We're shining brighter now (repeat as a round)
We're shining brighter now... We're shining brighter now
We're shining brighter now...

WALKING IN THE AIR

We're walking in the air, we're floating in the moonlit sky
The people far below are sleeping as we fly
I'm holding very tight, I'm riding in the midnight blue
I'm finding I can fly so high above with you

Far across the world, the villages go by like trees
the rivers and the hills, the forest and the streams
*Children gaze (**children gaze**), open mouth (**open mouth**), taken by surprise (ooooh)*
*Nobody (**nobody**) down below, believes their eyes (**believes their eyes**)*
We're surfing in the air, we're swimming in the frozen sky
We're drifting over icy mountains floating by

*Suddenly (**suddenly**), swooping low (**swooping low**), on an ocean deep (ooooh)*
*Rousing up (**rousing up**) a mighty monster, from its sleep (**from its sleep**)*
We're walking in the air, we're floating in the midnight sky
And everyone who sees us greets us as we fly

WINTER WONDERLAND

Over the ground lies a mantle of white,
A heaven of diamonds shine down thro' the night,
Two hearts are thrillin' in spite of the chill in the weather.

Love knows no season, love knows no clime,
Romance can blossom any old time,
Here in the open, we're walkin' and hopin' together!

*Sleigh bells ring, are you list'nin'! In the lane snow is glist'nin',
A beautiful sight, we're happy tonight, walkin' in a winter wonderland!
Gone away is the bluebird, here to stay is a new bird,
He sings a love song as we go along, walkin' in a winter wonderland!*

In the meadow we can build a snowman, (*a snowman*)
Then pretend that he is Parson Brown, (*he is known as Parson Brown*)
He'll say 'Are you married?' We'll say 'No, man! (*'No, man, no!*)
But you can do the job when you're in town!

Later on we'll conspire, as we dream by the fire
To face unafraid the plans that we made,
Walkin' in a winter wonderland!

STARS

Starlight shining, dancing like angels
Star night, star bright, soft in the evening sky – high above
Like shimm'ring, crystal eyes

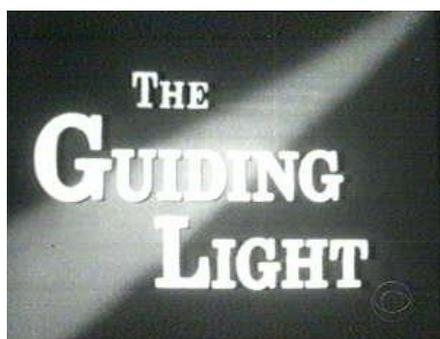

Farewell, daylight, as shadows falling
Drifting, shining, in heaven's fold, the stars – rising lights
Like diamonds, 'round the moon

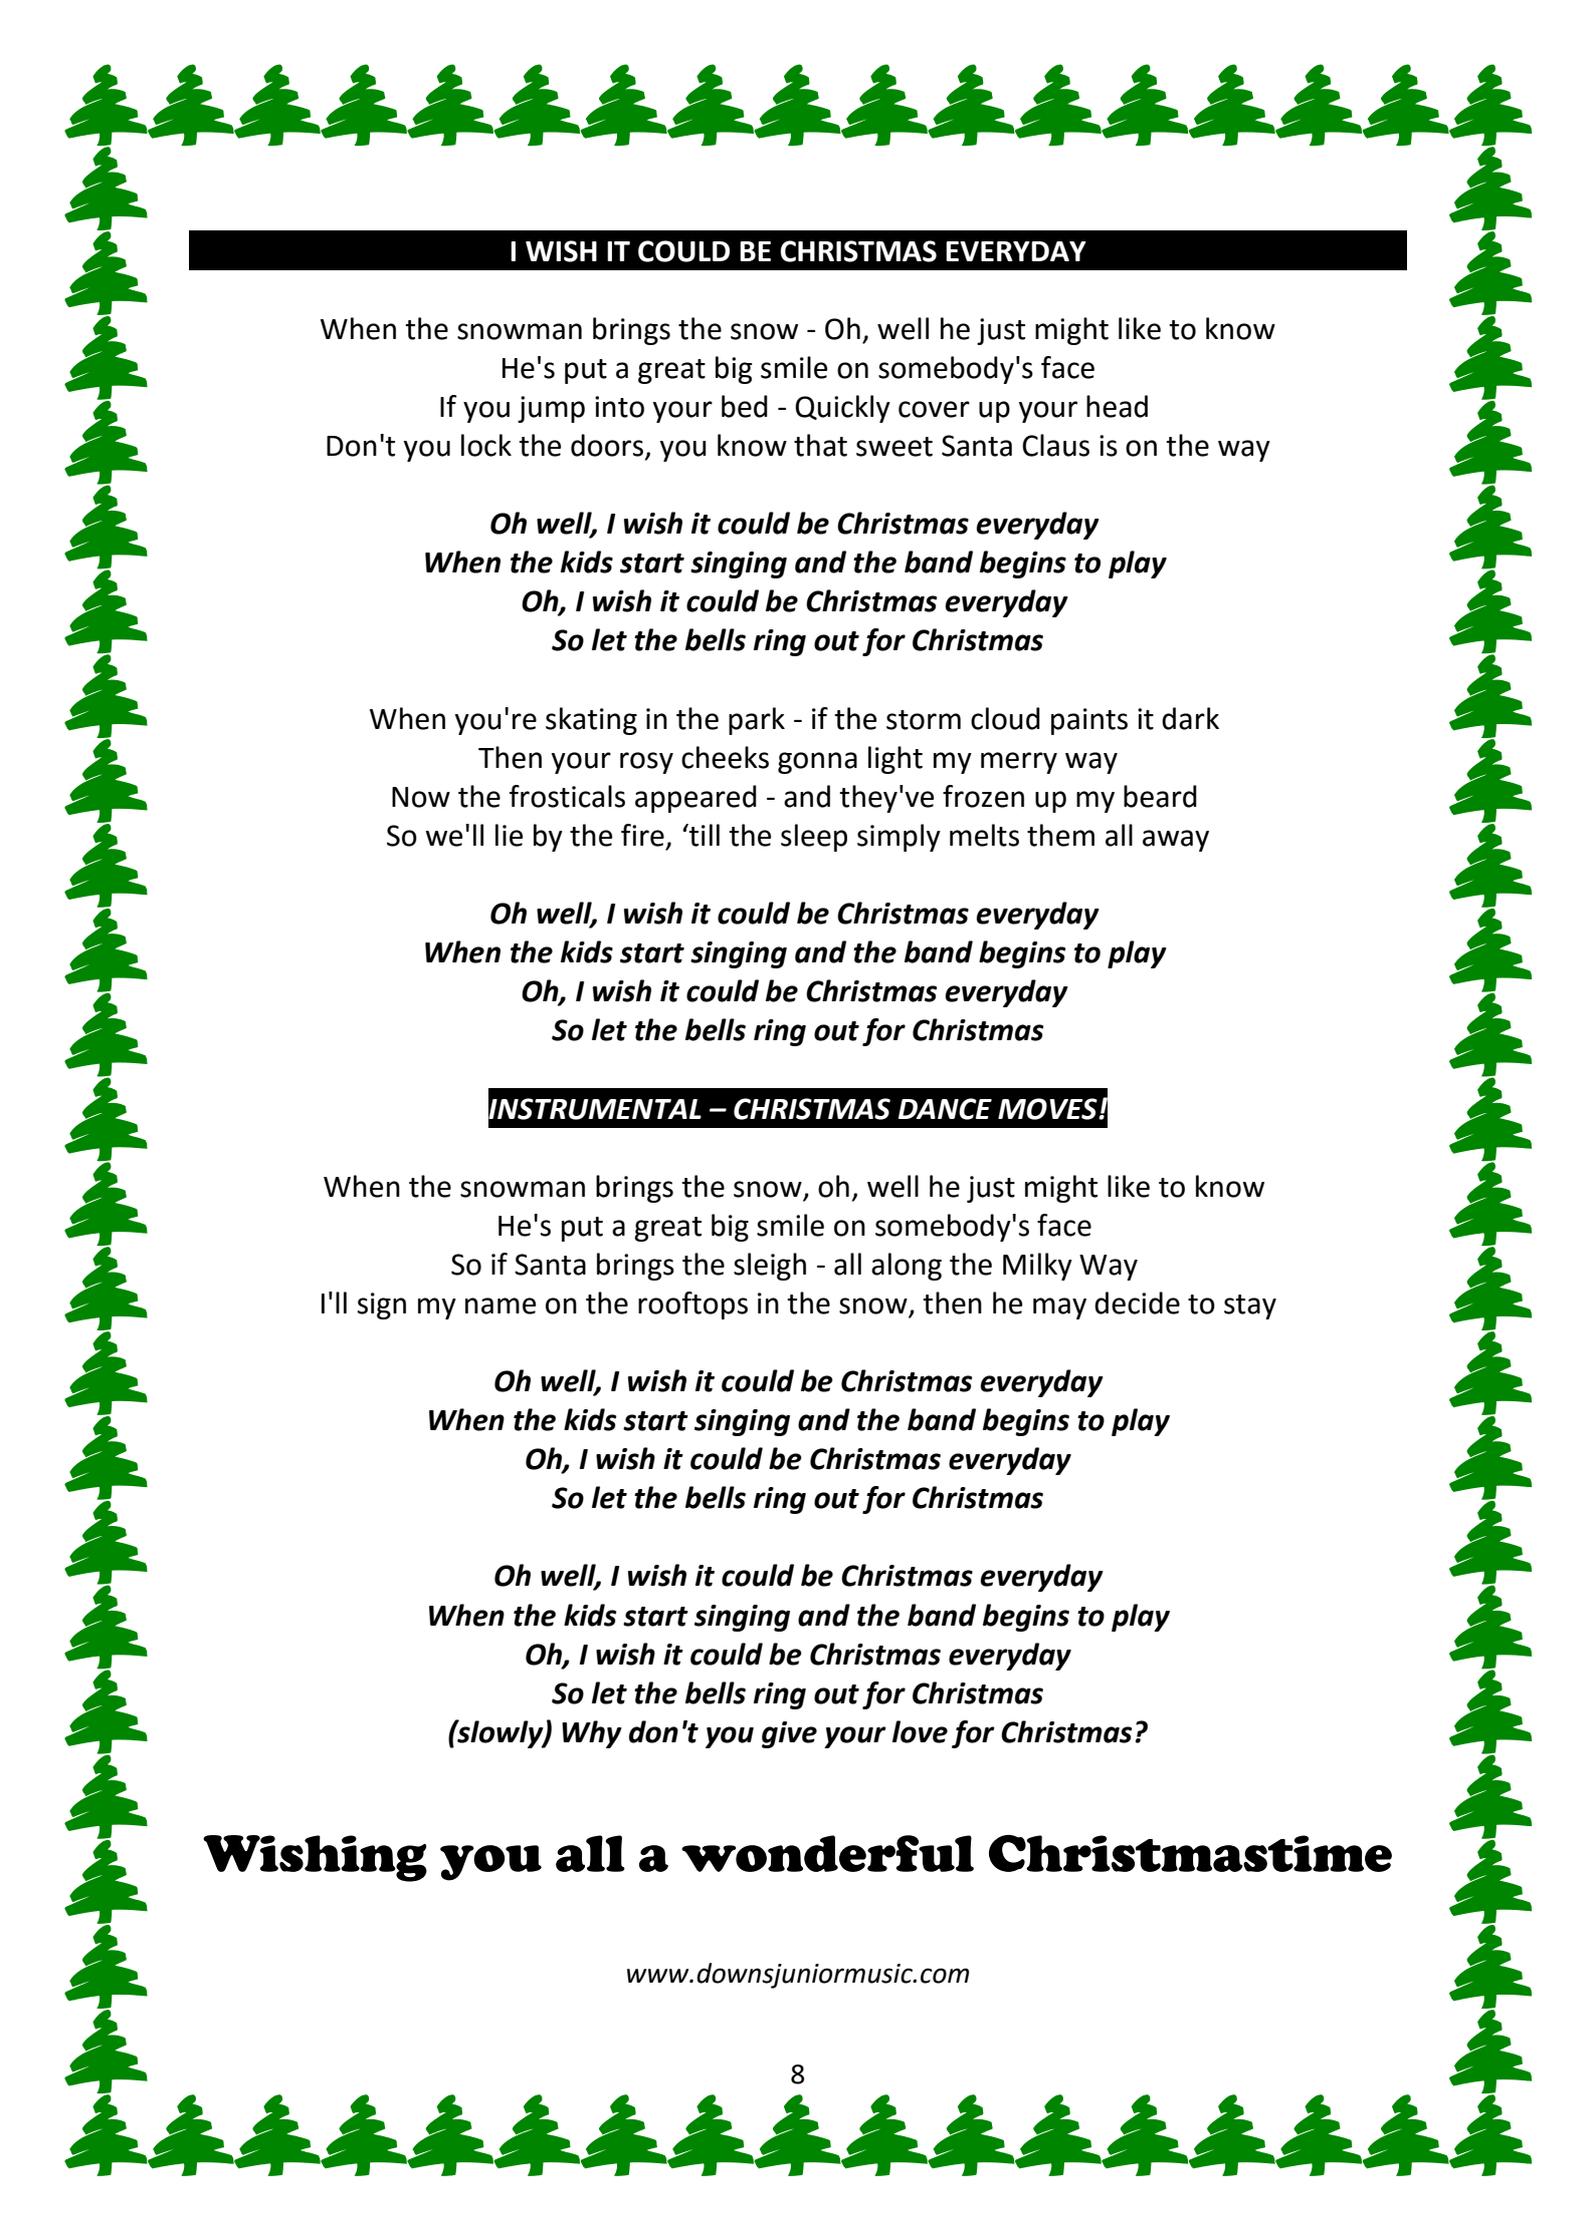

*Follow, follow, follow the morning star
Star bright, follow the starlight,
Cloudless the starlight reveals the still of the night*

Farewell, daylight, as shadows falling
Drifting, shining, in heaven's fold, the stars – rising lights
Like diamonds, 'round the moon
Farwell, farewell night

I WISH IT COULD BE CHRISTMAS EVERYDAY

When the snowman brings the snow - Oh, well he just might like to know
He's put a great big smile on somebody's face
If you jump into your bed - Quickly cover up your head
Don't you lock the doors, you know that sweet Santa Claus is on the way

*Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas*

When you're skating in the park - if the storm cloud paints it dark
Then your rosy cheeks gonna light my merry way
Now the frosticals appeared - and they've frozen up my beard
So we'll lie by the fire, 'till the sleep simply melts them all away

*Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas*

INSTRUMENTAL – CHRISTMAS DANCE MOVES!

When the snowman brings the snow, oh, well he just might like to know
He's put a great big smile on somebody's face
So if Santa brings the sleigh - all along the Milky Way
I'll sign my name on the rooftops in the snow, then he may decide to stay

*Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas*

*Oh well, I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh, I wish it could be Christmas everyday
So let the bells ring out for Christmas
(slowly) Why don't you give your love for Christmas?*

Wishing you all a wonderful Christmastime
