Dear Parents

Thank you for your interest in guitar lessons at Downs Junior School. Tom Butterworth has been teaching guitar at Downs Junior since 2004; lessons are on Mondays, Wednesdays and Thursdays and run throughout the school day.

We have a fun syllabus which includes learning chords, pop songs, music notation, TAB and general musicianship. There are 10 specially designed work-books that we use (1 per term), during which your child will have the chance to move onto the grade pieces in acoustic and/or electric guitar which are accredited by Trinity College and London College of music.

Lessons are taught in groups of up to 4 students and ages are matched whenever possible. The cost is £7.50per/wk plus £3 for the tuition book, payable to Tom Butterworth which can be posted directly to the above address or leave with the office with the slip below. We have 10 lessons per term which makes the total £78.

The recommended guitars are ¾ size nylon string guitars, electric guitars are fine but please avoid ½ size electrics and guitars from Toy R Us if possible. Badlands music on Preston Road gives a 10% discount to all Downs Jnr families. Guitars are not available for hire.

Please phone Tom before sending money to check availability of places

Sincerely,
Tom Butterworth
