

You Are Not Alone

for 100 Voice Project

Solo 1:

*Are you dreaming of a brighter future?
Somewhere you know that you will be heard,
Keep finding no one seems to listen,
But my friend you are not alone.*

Solo 2:

*Are you tired of waiting for some answers?
Are you scared that things might just get worse?
Does it make you sad when you get lonely?
But my friend you are not alone.*

CHORUS

*You are not alone here, don't fear
You are not alone here, nowhere
There's plenty more of us, ye-a-ah...
Oh, my friend, you are not alone.*

All:

*Are you tired of feeling so invisible?
Are you sick of silencing your voice?
Do you still have hope that peace is possible?
Oh, my friend, you are not alone.*

CHORUS

*You are not alone here, don't fear
You are not alone here, nowhere
There's plenty more of us, ye-a-ah...
Oh, my friend, you are not alone.*

Solo 3:

*Are you dreaming of a brighter future?
Somewhere that we will all be free.
Are you hoping life will soon get better?
Oh, my friend, you are not alone.*

CHORUS x 2

*You are not alone here, don't fear
You are not alone here, nowhere
There's plenty more of us, ye-a-ah...
Oh, my friend, you are not alone.*
